Application for Norfield Church Fair Funds – 2010

The objective of the Norfield Church Fair is to create a collaboration engaging all members of the Norfield Church community with a mission to raise funds to donate to local community organizations where our contribution will improve the lives of Fairfield County residents.

Norfield Congregational Church will hold its annual Church Fair on June 19, 2010. One hundred percent of the net proceeds are distributed to non-profits for operating funds. We are seeking recipients who will partner with us throughout 2010 as we seek to engage members of our Norfield community in a responsive outreach opportunity that includes active and direct participation with your organization as well as our financial support. As an initial step towards that relationship, we invite your participation by providing volunteers during fair week or on Fair Day to work side by side with members of the Norfield community. The Outreach Board of the Norfield Congregational Church welcomes your application and your suggestions on how we might incorporate an interactive relationship between your organization and our congregation throughout the year.

Applicants should:

- write a brief cover letter requesting support and suggestions for how members of Norfield Church and your organization could be engaged over the ensuing year and if any Norfielders are currently active volunteers.
- provide a one page description of the program for which funding is sought
- include a history of the applying organization, its mission, and accomplishments
- include a profile of the population that will benefit
- a description of your organizations 2010 quantitative and qualitative goals,
- provide evidence of the organization's 501c3 status
- provide an organizational budget for 2010

Application deadline: Feb 08, 2010.

Organizations receiving grants will be notified no later than March 5, with funds to be distributed in October of 2010.

All applications and attachments should be submitted ELECTRONICALLY ONLY to: [debkhoward@earthlink.net](mailto:debkhoward@earthlink.net)
